COMPANY OVERVIEW

S4L Services, LLC is a veteran-owned consulting firm helping organizations strengthen fraud prevention, research security, national security compliance, technology protection, enterprise risk management, and due diligence programs. The firm integrates investigative insight, compliance oversight, and practical risk management to help clients identify vulnerabilities, reduce exposure, and protect critical operations.

EXECUTIVE LEADERSHIP

Dexter C. Wells, CFE is a retired federal criminal investigator, Certified Fraud Examiner, risk management executive, educator, and President of S4L Services, LLC. He brings 30+ years of experience supporting government, defense, higher education, research, and commercial organizations in fraud prevention, research security, national security compliance, technology protection, foreign influence mitigation, and enterprise risk assessment.

WHY CHOOSE S4L
